

# Chain of Custody Certificate

This is to confirm that KPMG Performance Registrar Inc. has examined the procedures of

## **Canadian Forest Products Ltd. dba WynnWood** **100 – 1700 West 75<sup>th</sup> Avenue, Vancouver, British Columbia V6P 6G2**

and determined that the Company maintains chain of custody and sales tracking systems which form a reasonable basis for: (1) tracking the source of wood fibre processed by these facilities, and (2) ensuring that the output from these facilities, which is claimed to be “SFI-certified”, will not exceed the amount of wood fibre coming into these facilities from SFI certified woodlands operations\*. The Company’s Chain of Custody system conforms in all material respects to the requirements of the Section 4 – SFI 2015-2019 Chain of Custody Standard.

This Chain of Custody System certification applies to the following:

Softwood lumber, chips, and sawdust manufactured by Canadian Forest Products Ltd. (dba WynnWood) and associated outsourced manufacturing carried out by Pine Profiles Inc.

This chain of custody certification is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof. Chain of custody certification does not assure the regulatory compliance or continued conformance with the applicable standards by the certified woodlands operations from which wood fibre is obtained. \*SFI certified woodlands operations are those which are certified under the Sustainable Forestry Initiative (SFI®) standard.
